NOW, THEREFORE, the Board and the Operator agree as follows:

1. Operator agrees to conduct reclamation of the Disturbed Area in accordance with the Act and implementing regulations, the Notice of Intention, and the Reclamation Plan.
2. Concurrent with the execution hereof, Operator has provided surety to assure that reclamation is conducted, in form and amount acceptable to the Board, which surety is in the form of the surety attached hereto as Exhibit B and made a part hereof. The surety shall remain in full force and effect according to its terms unless modified by the Board in writing. If the surety contract expressly provides for cancellation, then, not less than 30 days, prior to the expiration date of the surety, the Operator shall provide a replacement surety in a form and amount acceptable to the Board. If the Operator fails to so provide an acceptable replacement surety, the Division may order the Operator to cease further mining activities and to begin reclamation of the site. In addition, if the Operator fails to so provide an acceptable replacement surety, the Division may call or draw upon the full amount of existing surety prior to cancellation or expiration.
3. Operator agrees to pay public liability and property damage claims resulting from mining as determined by the Board or the Division, to the extent provided in the Act.
4. Operator agrees to perform all duties and fulfill all reclamation requirements applicable to the mine as required by the Act and implementing rules, the Notice of Intention, and the Reclamation Plan.
5. The Operator's liability under this Contract shall continue in full force and effect until the Division certifies that the Operator has reclaimed the Disturbed Area in accordance with the Act and implementing rules, the Notice of Intention and the Reclamation Plan.
6. Operator agrees to indemnify and hold harmless the State, Board and Division from any claim, demand, liability, cost charge, suit, or obligation of whatsoever nature arising from the failure to Operator or Operator's agents, and employees, or contractor to comply with this Contract.
7. Operator may, at any time, submit a request to the Board to substitute surety. The Board, in its sole judgment and discretion, may approve such substitution if the substitute surety meets the requirements of the Act and the implementing rules.

8. This Contract shall be governed and construed in accordance with the laws of the State.
9. If Operator shall default in the performance of its obligations hereunder, Operator agrees to pay all costs and expenses, including attorneys fees and costs incurred by the Division and/or the Board in the enforcement of this Contract.
10. Any breach of the provisions of this Contract by Operator may, at the discretion of the Division, result in an order to cease mining operations. After opportunity for notice and hearing, the Division, or Board, as appropriate, may revoke the Notice of Intention, order reclamation, or order forfeiture of the Surety, or take such other action as is authorized by law.
11. In the event of forfeiture of the Surety, Operator shall be liable for any additional costs in excess of the surety amount which are required to comply with this Contract. Any excess monies resulting from forfeiture of the Surety, upon completion of reclamation and compliance with this Contract, shall be returned to the rightful claimant.
12. This Contract represents the entire agreement of the parties involved, and any modification must be approved in writing by the parties involved.
13. Each signatory below represents that he/she is authorized to execute this Contract on behalf of the named party.

SURETY BOND

DIVISION OF

*Replaced
8/21/02

9/18/02*

The undersigned UTAH PORTLAND QUARRIES, INC.
as Principal, and NATIONAL UNION FIRE INSURANCE COMPANY OF PITTSBURGH, PA.
as Surety, hereby jointly and severally bind ourselves, our heirs, administrators,
executors, successors, and assigns, jointly and severally, unto the State of Utah, Division
of Oil, Gas and Mining (Division) in the penal sum of FIFTY SIX THOUSAND TWO HUNDRED
dollars (\$ 56,200.00-----).

Principal has estimated in the Mining and Reclamation Plan approved by the
Division on the 30th day of August, 1985, that twenty-two (22)
acres of land will be disturbed by mining operation in the State of Utah.

The lands to be disturbed are described as follows:

Refer to Exhibit A attached hereto and made a part hereof.

The condition of this obligation is that if the Division determines that Principal
has satisfactorily reclaimed the disturbed lands in accordance with the approved Mining
and Reclamation Plan and has faithfully performed all requirements of the Mined Land
Reclamation Act, and complied with the Rules and Regulations adopted in accordance
therewith, then this obligation shall be void; otherwise it shall remain in full force and
effect.

If the Mining and Reclamation Plan provides for periodic partial reclamation of
the disturbed lands, and if the lands are reclaimed in accordance with such Plan, Act
and regulations, then Principal may apply for a reduction in the amount of this Surety
Bond.

In the converse, if the Mining and Reclamation Plan provides for a gradual increase in the area disturbed or the extent of disturbance, then, the Division may require that the amount of this Surety Bond be increased, with the written approval of the Surety.

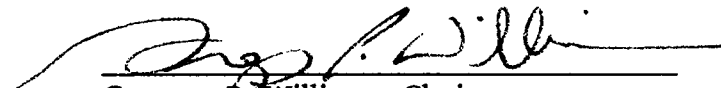

This bond may be canceled by Surety after ninety (90) days following receipt by the Division and Principal of written notice of such cancellation. Surety's liability shall then, at the expiration of said ninety (90) days, cease and terminate except that Surety will remain fully liable for all reclamation obligations of the Principal to be performed prior to the date of termination.

Principal and Surety and their successors and assigns agree to guarantee said obligation and to indemnify, defend, and hold harmless the Division from any and all expenses (including attorney fees) which the Division may sustain in the collection of sums due hereunder.

Surety will give prompt notice to Principal and to the Division of the filing of any petition or the commencement of any proceeding relating to the bankruptcy, insolvency, reorganization, or adjustment of the debts of Surety, or alleging any violation or regulatory requirements which could result in suspension or revocation of the Surety's license to do business.

Dated this 20th day of February, 1991.
